2021

The Westies Markets promote local makers and business owners in Sydney's west. We are looking for stall holders who are invested in their business and want to see it grow. We want people who understand that packaging and presentation are just as important as a good product. We are about giving businesses a platform and helping them to grow.

We curate our stall holders carefully to make sure we have a great mix of products, giving our visitors a wide range of variety. This is a great opportunity to connect with the community and build a following, we take the application process seriously and want to see that you do too.
